TODD FARLOW, 240 North 19th Street, recalled that a few years ago, NDOT proposed to erect an eighty-five foot double decker freeway. With the addition of a sound wall and a billboard he imagined that the entire structure would far exceed height limitations. ASSISTANT CITY ATTORNEY BRYAN SCOTT replied that the maximum height of the billboard would be sixty-five feet.

DAVE CLAPSADDLE, 1711 Whitney Mesa Drive, Henderson, referenced the adult day care center item. He offered to work with COMMISSIONER STEINMAN and staff to address any issues that may arise.

MARGO WHEELER, Director, Planning and Development Department, extended an invitation to the Commissioners to attend the City Council Meeting on October 3rd wherein a Proclamation for National Community Planning Month will be presented.
